SPECIAL PROVISIONS FOR RAD STUDIO ACADEMIC LICENSES

Purpose:

The RAD Studio Academic Licenses are intended to be used for education and training purposes and are for non-commercial use. The subleases, transfer or commercial resale of the software to third parties is prohibited.

Term:

- The RAD Studio Concurrent Licenses will be valid for 12 months from date of agreement and include maintenance for the full term.
- The RAD Studio Workstation Licenses will be valid for 9 months from date of agreement and include maintenance for the full term.

Installation:

- The RAD Studio Concurrent Licenses will be hosted on a license server administered by the University or Organization.
- A single RAD Studio User Workstation License can only be used for one student (named user) and will be tied to the named users' workstation or laptop.

Termination:

The following cases will require termination of the contract, destruction of the license key and all copies of the software to be uninstalled permanently.

- A user is no longer a student of the University or Organization
- The agreement between the University or Organization and Embarcadero has ended
- A user's employment contract with the University or Organization has ended
- The terms of the Special Provisions listed above or Embarcadero's EULA have been violated

I have read and agree to the Special Provisions listed above and Embarcadero's Software License Agreement found at <https://www.embarcadero.com/products/rad-studio/rad-studio-eula>
