Dear Marina,

I am delighted to be able to offer you a place on the John Locke Institute History & Politics Summer School in Oxford from Tuesday 9<sup>th</sup> August to Saturday 20<sup>th</sup> August 2022.

Our admissions team noted your academic motivation, which is important to us in our decision process. The Academic Dean, Robin Koerner, told me he enjoyed speaking with you. He noticed signs of both emotional and intellectual maturity and feels you would bring a valuable perspective to - and gain a great deal from - the summer school. He hopes to be able to have the opportunity to hear more of your view of foreign relations and international conflicts.

I am confident that you have both the intellect and the curiosity to make the most of the opportunities we will provide this summer. I'm sure you will benefit a very great deal from the outstanding faculty, the personal attention, and the exceptional peer group to which you have been admitted. I know you will also contribute a great deal to the experience of the other participants.

Do please contact our admissions team at [admissions@johnlocke.com](mailto:admissions@johnlocke.com) at any time if you or your parents have any questions about the summer school, or if we can be of service to you in any other way.

I look forward to welcoming you to our History & Politics Summer School!

Kind Regards,

**Marie Loubeyre**  
Dean of Admissions
